

BC wheelchair basketball

SCHOOLS & COMMUNITY PARTICIPATION PROGRAM

Supported by:

RBC Foundation[®]

BRING WHEELCHAIR BASKETBALL TO YOUR SCHOOL OR PROGRAM!

If you have a student with a physical disability in your school or community program you can provide that individual as well as their peers with a valuable education and awareness experience. Wheelchair Basketball can be a catalyst for change in your school or community and it is a fun and memorable experience that everyone can enjoy.

BC Wheelchair Basketball Society (BCWBS) is a non-profit organization and registered charity providing support to wheelchair basketball programs throughout British Columbia.

For over 25 years, BCWBS has been offering programs to people with and without physical disabilities and to all ages. Regular wheelchair basketball programs are offered in many communities across BC. Contact us for more information.

PROGRAM DESCRIPTION

Sport wheelchairs used for wheelchair basketball are available for rental to your school or community program for use in daily physical education classes, afterschool programs, or special events in the Greater Vancouver area. In addition a BCWBS coach or athlete can come to your program to introduce the sport, and activity ideas to your group.

Teachers or Program Leaders may find this is a great way to offer inclusive programming for students with physical disabilities in your program. This physical activity opportunity is best suited for individuals with good upper body mobility (to allow for catching and passing) and use of a manual chair to ensure a positive sport experience.

CONTACT BC WHEELCHAIR BASKETBALL TO BOOK

If you are interested in having wheelchair basketball at your school or community program, please contact the BC Wheelchair Basketball Society to learn more about the program, rental fees, and to book a day and time at 604-333-3530 or email info@bcwbs.ca or visit www.bcwbs.ca

Please Note: This program is currently only offered in Greater Vancouver and Northern BC. If your program includes individuals with physical disabilities outside of these areas, please contact BCWBS to discuss possible options.
